#### **EXECUTIVE SUMMARY**

## AUDIT EXAMINATION OF THE CASEY COUNTY SHERIFF'S SETTLEMENT - 2008 TAXES

#### For The Period April 13, 2008 Through April 11, 2009

The Auditor of Public Accounts has completed the audit of the Sheriff's Settlement - 2008 Taxes for the Casey County Sheriff for the period April 13, 2008 through April 11, 2009. We have issued an unqualified opinion on the financial statement taken as a whole. Based upon the audit work performed, the financial statement is presented fairly in all material respects.

#### **Financial Condition:**

The Sheriff collected taxes of \$3,790,535 for the districts for 2008 taxes, retaining commissions of \$156,829 to operate the Sheriff's office. The Sheriff distributed taxes of \$3,628,330 to the districts for 2008 taxes. Taxes of \$86 are due to the districts from the Sheriff.

#### **Report Comments:**

- The Sheriff's Office Lacks Adequate Segregation Of Duties
- The Sheriff Should Accurately Account For Disbursements To Fee Account

#### **Deposits:**

The Sheriff's deposits were insured and collateralized by bank securities.

#### **Independent Auditor's Report**

We have audited the Casey County Sheriff's Settlement - 2008 Taxes for the period April 13, 2008 through April 11, 2009. This tax settlement is the responsibility of the Casey County Sheriff. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and the Audit Guide for Sheriff's Tax Settlements issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Sheriff's office prepares the financial statement in accordance with the modified cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the Casey County Sheriff's taxes charged, credited, and paid for the period April 13, 2008 through April 11, 2009, in conformity with the modified cash basis of accounting.

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated December 8, 2009 on our consideration of the Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> and should be considered in assessing the results of our audit.

To the People of Kentucky
Honorable Steven L. Beshear, Governor
Jonathan Miller, Secretary
Finance and Administration Cabinet
Honorable Ronald Wright, Casey County Judge/Executive
Honorable Jerry Coffman, Casey County Sheriff
Members of the Casey County Fiscal Court

Based on the results of our audit, we present the accompanying comments and recommendations, included herein, which discusses the following report comments:

- The Sheriff's Office Lacks Adequate Segregation Of Duties
- The Sheriff Should Accurately Account For Disbursements To Fee Account

Respectfully submitted,

Crit Luallen

### CASEY COUNTY NOTES TO FINANCIAL STATEMENT

April 11, 2009

#### Note 1. Summary of Significant Accounting Policies

#### A. Fund Accounting

The Sheriff's office tax collection duties are limited to acting as an agent for assessed property owners and taxing districts. A fund is used to account for the collection and distribution of taxes. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

#### B. Basis of Accounting

The financial statement has been prepared on a modified cash basis of accounting. Basis of accounting refers to when charges, credits, and taxes paid are reported in the settlement statement. It relates to the timing of measurements regardless of the measurement focus.

Charges are sources of revenue which are recognized in the tax period in which they become available and measurable. Credits are reductions of revenue which are recognized when there is proper authorization. Taxes paid are uses of revenue which are recognized when distributions are made to the taxing districts and others.

#### C. Cash and Investments

At the direction of the fiscal court, KRS 66.480 authorizes the Sheriff's office to invest in the following, including but not limited to, obligations of the United States and of its agencies and instrumentalities, obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States, obligations of any corporation of the United States government, bonds or certificates of indebtedness of this state, and certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation (FDIC) or which are collateralized, to the extent uninsured, by any obligation permitted by KRS 41.240(4).

#### Note 2. Deposits

The Casey County Sheriff maintained deposits of public funds with depository institutions insured by the Federal Deposit Insurance Corporation (FDIC) as required by KRS 66.480(1)(d). According to KRS 41.240(4), the depository institution should pledge or provide sufficient collateral which, together with FDIC insurance, equals or exceeds the amount of public funds on deposit at all times. In order to be valid against the FDIC in the event of failure or insolvency of the depository institution, this pledge or provision of collateral should be evidenced by an agreement between the Sheriff and the depository institution, signed by both parties, that is (a) in writing, (b) approved by the board of directors of the depository institution or its loan committee, which approval must be reflected in the minutes of the board or committee, and (c) an official record of the depository institution.

CASEY COUNTY NOTES TO FINANCIAL STATEMENT April 11, 2009 (Continued)

Note 2. Deposits (Continued)

Custodial Credit Risk - Deposits

Custodial credit risk is the risk that in the event of a depository institution failure, the Sheriff's deposits may not be returned. The Casey County Sheriff does not have a deposit policy for custodial credit risk but rather follows the requirements of KRS 41.240(4). As of April 11, 2009, all deposits were covered by FDIC insurance or a properly executed collateral security agreement.

Note 3. Tax Collection Period

#### **Property Taxes**

The real and personal property tax assessments were levied as of January 1,2008. Property taxes were billed to finance governmental services for the year ended June 30, 2009. Liens are effective when the tax bills become delinquent. The collection period for these assessments was October 7, 2008 through April 11, 2009.

Note 4. Interest Income

The Casey County Sheriff earned \$4,967 as interest income on 2008 taxes. The Sheriff distributed amounts to the school district as required by statute, and the remainder was used to operate the Sheriff's office. As of December 8, 2009, the Sheriff overpaid \$1,438 in interest to the school district.

Note 5. Sheriff's 10% Add-On Fee

The Casey County Sheriff collected \$24,877 of 10% add-on fees allowed by KRS 134.430(3). This amount was used to operate the Sheriff's office.

Note 6. Advertising Costs And Fees

The Casey County Sheriff collected \$6,440 of advertising costs and fees allowed by KRS 424.330(1) and KRS 134.440(2). The Sheriff distributed the advertising costs to the county as required by statute, and the advertising fees were used to operate the Sheriff's office.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENT PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Ronald Wright, Casey County Judge/Executive Honorable Jerry Coffman, Casey County Sheriff Members of the Casey County Fiscal Court

> Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of The Financial Statement Performed In Accordance With Government Auditing Standards

We have audited the Casey County Sheriff's Settlement - 2008 Taxes for the period April 13, 2008 through April 11, 2009, and have issued our report thereon dated December 8, 2009. The Sheriff prepares his financial statement in accordance with a basis of accounting other than generally accepted accounting principles. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States.

#### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Casey County Sheriff's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Casey County Sheriff's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Casey County Sheriff's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However as discussed below, we identified certain deficiencies in internal control over financial reporting that we consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with the modified cash basis of accounting such that there is more than a remote likelihood that a misstatement of the entity's financial statement that is more than inconsequential will not be prevented or detected by the entity's internal control over financial reporting. We consider the deficiencies described in the accompanying comments and recommendations to be significant deficiencies in internal control over financial reporting.

- The Sheriff's Office Lacks Adequate Segregation of Duties
- The Sheriff Should Accurately Account For Disbursements To Fee Account

209 ST. CLAIR STREET

Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of The Financial Statement Performed In Accordance With Government Auditing Standards (Continued)

#### Internal Control Over Financial Reporting (Continued)

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statement will not be prevented or detected by the entity's internal control. Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we consider the significant deficiencies described above to be material weaknesses.

#### **Compliance And Other Matters**

As part of obtaining reasonable assurance about whether the Casey County Sheriff's Settlement -2008 Taxes for the period April 13, 2008 through April 11, 2009, is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under <u>Government Auditing Standards</u>.

The Casey County Sheriff's responses to the findings identified in our audit are included in the accompanying comments and recommendations. We did not audit the Sheriff's responses and, accordingly, we express no opinion on them.

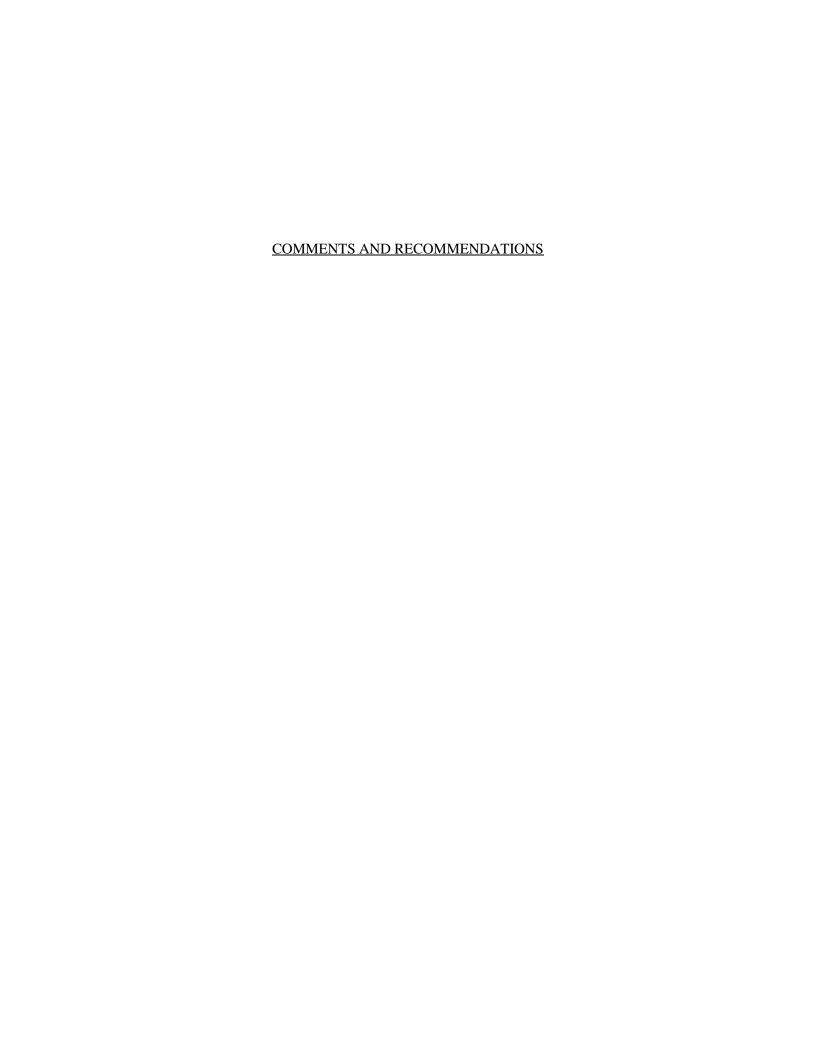

This report is intended solely for the information and use of management, the Casey County Fiscal Court, and the Department for Local Government and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully submitted,

Crit Luallen

**Auditor of Public Accounts** 

December 8, 2009

### CASEY COUNTY JERRY COFFMAN, SHERIFF COMMENTS AND RECOMMENDATIONS

For The Period April 13, 2008 Through April 11, 2009

#### INTERNAL CONTROL - SIGNIFICANT DEFICIENCIES AND MATERIAL WEAKNESSES:

#### The Sheriff's Office Lacks Adequate Segregation Of Duties

The Sheriff's office has a lack of segregation of duties over receipts and disbursements. The Sheriff's bookkeeper collects payments from customers, prepares monthly tax reports, and prepares daily deposits. She also takes the deposits to the bank. Upon preparation of the monthly reports, the bookkeeper prepares checks for payment and signs the checks. Additionally, we noted the Sheriff's signature included on the monthly reports is stamped by the bookkeeper.

Segregation of duties or implementation of compensating controls, when there is a limited number of staff, is essential for providing protection to employees in the normal course of performing their duties and can also help prevent inaccurate financial and/or misappropriation of assets.

Adequate segregation of duties would prevent the same person from having a significant role in the process, recording, and reporting of receipts and disbursements. We recommend the Sheriff implement compensating controls to offset this lack of segregation of duties and document those compensating control by initialing his reviews. In addition, we recommend the Sheriff authorize, in writing, the use of the signature stamp, and expressly designate in writing those persons authorized to use the stamp for official purposes in affixing the official's signature, and a log of authorized usage.

Sheriff's Response: I realize we are a small department and wish we had enough help to avoid this. I see no way to do this.

#### The Sheriff Should Accurately Account For Disbursements To Fee Account

During 2008 taxes, the Sheriff transferred lump sum amounts as needed to his fee account throughout the tax year and did not identify these payments as commissions, add-on fees, advertising fees and costs, or interest. These lump sum amounts distributed for the period April 13, 2008 through April 11, 2009 were transferred into the 2008 and 2009 Fee Accounts. As a result, commissions were overpaid to the 2008 Fee Account in the amount of \$3,993 and commissions of \$2,553 are due the 2009 Fee Account. We recommend the Sheriff remit the actual amounts due the fee account on a monthly basis.

Sheriff's Response: This will be taken care of.
